

Steve,

Thank you again for all your help. I know you told me many times that this happens to so many people, but as you could see this was so extremely upsetting to me. You were a blessing sent to me to help out in this situation. God sends us special people in our lives to help out in difficult times and He sent me you. I have this peace now that I haven't had since this whole ordeal started and I thank you so much for being so good at your job. You knew exactly what to do and Ryan knows all about it ☺ If you ever need anything just let me know. Thanks again! Kristel ~~██████████~~
