Please share your thoughts on your experience with how Mr. Shellist handled your case:

He handled it professionally, attentively and was quite sensitive to our needs as parents of the accused. The case - 2nd degree felony was dismissed due to his wise decisions & strategy tactics. Very personable & I felt extremely confident when speaking to Steve. Very genuine & caring - one of a kind.

Did the results of your case meet or exceed your expectations? Please explain.

Exceeded, contacted Drs. in Harris County jail to prescribe meds, always responded in a quick manner & very informative 24-7. Give 110%. He should be named LAWYER OF THE YEAR!!

Additional comments:

Vertris, his assistant / paralegal always attentive to emails, calls & information we needed to survive through this traumatic experience. They work well together - very communicative.
