Dear Mr. Christian Capitaine:

Shortly after you got involved in my case you were able to get the no-contact order removed, this was critical to my family's wellbeing, with the young children at home, and my health. There would have been no reason to fight the charges if I had lost either one of these. The preparations that took place between you and Mr. Shellist, in my opinion, was a major strategy that resulted in the charges brought against me to be dismissed. I never, in my wildest dreams, considered the possibility that the charges would get dismissed especially after all the crazy events that took place. Your law firm has the advantage of teamwork and very competent individuals. I believe everything happens for a reason and thus [REDACTED] and I will take away many valuable lessons from this experience as well as realize how lucky we are. I am glad to have met you and hope to meet again under better circumstances.

Thank You and God Bless You and Your Family!

Sincerely

William
