Dear Mr. Steve Shellist:

You are a gentleman and an expert in your profession. Your analytical proficiency resulted in having the charges brought against me dismissed, which in my wildest dreams I never considered a possibility. This unexpected outcome has put my family's life back on track. You treated [REDACTED] and me with respect throughout this ordeal. The extra time taken to explain what to expect, the insight to the length of time it may take and always returning my messages really helped us get thru these difficult times. You stated that this was going to be a bumpy ride but we would eventually get to our destination and you were right! I believe everything happens for a reason and thus [REDACTED] and I will take away many valuable lessons from this experience as well as realize how lucky we are. I am glad to have met you and hope to meet again under better circumstances.

Thank You and God Bless You and Your Family!

Sincerely

*William* [REDACTED]
